

Launch Package Program

Launch Program Overview

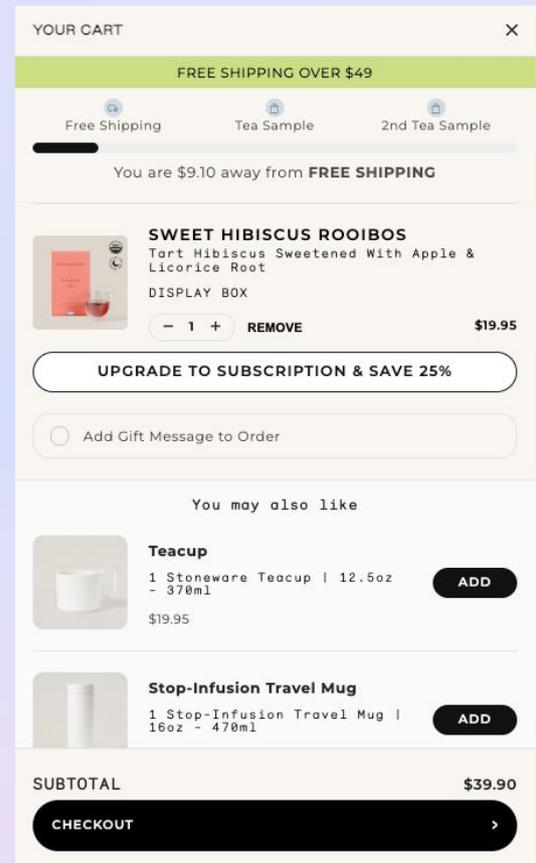

The Launch Package Program aims to **reduce the lift of getting Rebuy implemented to help your clients get up and running with the app ASAP**. Our extensive experience working with thousands of Shopify Plus brands has helped craft go-live plans that optimize each key step of the customer journey.

Let the Rebuy team set up your clients' personalization solutions while you work with them to optimize widget rules and logic.

Launch Program Value

Rebuy's Launch Packages **reduce app installation roadblocks** and **free up time for the agency to focus on other strategic projects** that drive the business forward.

Empower your clients to **realize the maximum ROI** with Rebuy – participating brands see, on average, a **2x greater AOV boost and 3x times more monthly Rebuy sales** compared to those who don't go through a Launch Package.
